

The University of Vienna (20 faculties and centres, 184 fields of study, approx. 10.400 members of staff, about 90.000 students) seeks to fill the position from 01.09.2023 of a

**University Assistant (post doc)
at the Department of Biological Chemistry**
to 30.08.2027.

Reference number: 13580

General Description (research group)

Headed by Christian F.W. Becker, the Institute of Biological Chemistry (IBC) (<https://biologischechemie.univie.ac.at/en>) is one of the largest centers for peptide and protein chemistry in Austria (founded in 2011). It combines chemical approaches, such as solid phase peptide synthesis, with biotechnological approaches in order to produce site-specifically modified proteins and protein-polymer conjugates.

Duration of employment: 4 year/s

Extent of Employment: 40 hours/week

Job grading in accordance with collective bargaining agreement: §48 VwGr. B1 lit. b (postdoc) with relevant work experience determining the assignment to a particular salary grade.

Research fields:

	Main research field	Special research fields	Importance
	Chemistry	Chemical biology	SHOULD

Education:

	Educational institution	Educational level	Special subject	Importance
	University	Chemistry	Biochemistry	SHOULD

Languages:

	Language	Language level	Importance
	German	Good knowledge	SHOULD
	English	Very good knowledge	MUST

Computer-Skills:

	Type of computer skills	Specified computer skills	Importance
	Basic Knowledge	MS Office	SHOULD
